Pyrros said that he had not had a chance to talk with Mr. Nedzi since the briefing of the day before and suggested that our analysts "wing it."

12. (Internal Use Only - CM) LIAISON I talked with Jim Conrow, in the office of Representative C. W. Bill Young (R., Fla.), who said that he had noted in the New Digest of the American Enterprise Institute for 2 November that CIA had recently published a report on the Soviet Union's ownership of businesses in the west. He said that he would like to get a copy of the report. I checked with [] NFAC/CSS, who said this was a publication entitled, "Soviet Commercial Operations in the West." Conrow indicated that he would like the report by noon today. I arranged to have the report dropped off at 1:00 p.m., which was satisfactory to Conrow.

13. (Internal Use Only - CM) CONSTITUENT Lucien Haas, in the office of Senator Alan Cranston (D., Calif.), called to say that he had received a request from Warner Brothers Studios asking if there is a CIA office in [] Warner Brothers is making a film with some reference in it to CIA and it appeared that they wanted to shoot some footage in a real CIA office. I checked with [] OPA, who said that we had had such requests in the past and always turned them down. I called Haas back and told him that we did not honor requests of this nature due to security reasons. Haas said that he understood and that appeared to end the matter.
